

# **Walt Wise Memorial Police Pistol Match**

## **Practice Matches**

The Bullseye Range will be open for free practice on Friday, September 20th, from 1 p.m. - 3 p.m. A Line Caller will be present to run the firing line and keep things moving along safely.

The Police-L Course of Fire (30 shots total per relay fired - 10 shots each of Slow Fire, Timed Fire, and Rapid Fire) will be run continuously until 3 p.m. or until the shooters present have had enough practice.

This practice session is a great way to get your guns sighted in, get acclimated to the Police-L Course of Fire; and the range commands.

Don't forget your ear and eye protection, and your stapler. Targets are provided free.

Just find an empty spot on the firing line and have some fun!

Note: If you need to practice, please take advantage of this free session on Friday. There will be no practice relays allowed during the matches on Saturday and Sunday.
